

Daily Warm-up

(Do every day)

DO:

Take a big breath.
Play with a big, beautiful sound.
Use a steady airstream.
Make slurs quickly and accurately.
Taper the last note.
Play in tune.
Relax.
Tongue the first note-slug the rest.
Play top notes two times longer.
Rest as much as you play.

DON'T:

Use pressure.
Pull the corners of the mouth.
Stop the air.

REMEMBER:

Pitch is air speed.

Q: Why is the pipe organ the most perfect wind instrument in the world?
A: It blows an absolutely steady airstream out the pipes.
